Dear Cape Clogs,

On behalf of the Board of Directors and the chapter members of the Autism Society of Berks County, we would like to thank you for your contribution to the eighth annual "Help Solve the Puzzle: Walk for Autism Awareness". The Walk, which was held on Sunday, September 12, 2010, was a tremendous success! Approximately 2,000 people joined us at the Berks County Heritage Center. After walking, participants stayed for lunch, a raffle, children's activities, and a resource fair. A wonderful time was had by all who came out to support this very worthy cause!

The continued support that we have received from the community and from local businesses has been incredible, especially during these current economic times. Together, we have raised autism awareness and over \$62,000! The funds raised will enable us to continue to carry out our mission to provide information and support for individuals within the autism spectrum, their families, and professionals through community awareness, education, and research related to autism. Thank you for helping us to make a difference in the lives of those affected by autism spectrum disorders. We greatly appreciate your support!

Sincerely,  
2010 Walk Co-Chairs
