Dear Ms. Irving:

Thank you for your generous support of our 2010 fundraising campaign. Together, we raised approximately \$40,000. These funds will support vital research at the Dana Farber Cancer Institute in its efforts to find the cure for breast and ovarian cancer. It heartens us to know that the money raised will directly benefit incredible doctors and researchers who are at the forefront of cutting-edge cancer research.

Overwhelming community sponsorship, local retailers and businesses, dancers and their families, guest speakers, talented performers and friends from across the country, enabled DFAC to culminate the year of fundraising efforts with a most magnificent series of holiday shows. If you were not able to attend one of the December performances, we encourage you do so on our website, <http://dancingforacure.net/>. Each show was filled with visual beauty, holiday cheer, and inspirational moments. If you were unable to attend this year, we hope to see you next December as we continue to dance for a cure!

Thank you for supporting our goal, a world without cancer. We couldn't do it without your generosity and participation. Thank you again!

Very truly yours,

The Dancing for a Cure Committee

Thanks for the  
Great Clog Gift  
Certificate!!
