Dear Ms. Irving:

The Dancing for a Cure committee, in conjunction with Friends of Dana-Farber Cancer Institute, thank you for your generous support of our 2011 fundraising campaign.

Together, we raised more than \$40,000. These funds will support vital research at the Dana Farber Cancer Institute in its efforts to find the cure for breast and ovarian cancer. It heartens us to know that the money raised will directly benefit doctors and researchers who are at the forefront of cutting-edge cancer research.

Overwhelming community sponsorship, local retailers and businesses, dancers and their families, guest speakers, talented performers and friends from across the country, enabled DFAC to culminate their year of fundraising efforts with a magnificent series of holiday shows. If you were not able to attend one of these December performances, we encourage you to view the show on our website www.dancingforacure.net. Each show was filled with visual beauty, holiday cheer, and inspirational moments.

Thank you again for your dedication and commitment to our goal--a world without cancer. We look forward to seeing you again at future Dancing for a Cure events!

Very truly yours,

Dancing for a Cure Committee

*Thank you for your
continued support!!
Deb Hanf*
