Dear Cape Clogs, Inc,

We would like to take this opportunity to extend our sincere appreciation for your generous donation of sale proceeds totalling \$311.99 to The Doug Flutie, Jr. Foundation for Autism, Inc.

When our son Dougie was diagnosed with autism spectrum disorder at the age of three, we didn't know where to turn for resources and information and we quickly realized how expensive it was to provide special equipment and therapy for children affected by autism. Thus, we decided to create a Foundation to support families and make a positive impact in the lives of children like Dougie who are struggling to overcome the challenges they face each day.

Since 1998, our Foundation has raised close to 14 million dollars to support autism programs through fundraisers as well as individual and corporate donations. Programs funded through our annual grant cycle include educational and respite services, recreational, after-school and summer programs, inclusion camps, music and arts therapy, social skills groups and assistive technology among others. In addition, the Foundation donates computers to parents and autism programs in the New England area, supports and funds local advocacy initiatives, provides parent scholarships for our annual autism conference and offers a summer water sports program for children with autism spectrum disorder.

Again, we thank you for your support and contribution to our foundation.

Sincerely,

Doug & Laurie Flutie

Doug and Laurie Flutie
