Dear Scott :

During the month of February – Heart Awareness month, Cape Clogs Inc. sold 68 **pairs** of the closed back heart style clogs. In addition we did a \$1.00 Face book click promotion and were able to accumulate 32 clicks for \$32.00

Our promotions have allowed us to present to a check in the amount of **\$** 372.00 to American Heart Foundation. Thank you for allowing us to partner with you and we continue to promote and bring awareness to cardiovascular diseases to the public.

Thank you and we look forward to a continued partnership.
